Coquille Tournament

Our tournament is November 17th. Early bird entries close October 31, but there is also a pre-registration and at the door price. We will be donating a portion of the receipts to Project Action which provides scholarships for needy children so they may participate in Martial Arts, Dance and Gymnastics. 100% of the money raised at our tournament will go toward Coos County kids.

You may also, if you wish, gather pledges for Project Action, instead of paying the entry fee. We ask that you try to get at least 75.00 in pledges per child if you decide to take this option. Our goal is to raise 1000.00 this year. We will have a program listing the biggest donors, both corporate and private, so let us know when you get large donations.

For full details, on rules and prizes, see the web site.

We need all the adults: parents and students, who can help to let us know what they would like to do, and if they have no preference, we will choose jobs suitable to you. The next several Fridays we will be doing tournament style sparring complete with time keepers and score boards. This is a great way to train

for these positions. There will be no spectators fee charged for anyone who helps out. The following positions will be needed:

timekeepers(sparring)

scorekeepers(sparring and forms)
