February testing

Is the week of February 25th. Scheduled to test in February are Kestrel, Jeremy, Kayla, JJ, Aidan, Carleton, Zak, Tula, Kai and Sheila. Please remember to pay your testing fees by the 10th, and to wear your complete uniform, including patch.

Bandon

Starting in February we will be holding Bandon classes at the Bandon Shopping Center in the building behind Brees and the Bandon Golf shop. The entrance is in the back. You can either park in front and walk around, or park on the street in back. This will allow students to leave equipment permanently and for us to maintain a small inventory of items. We will also add more classes. Tell your friends. If we can double our student body, this will be our permanent location.

Pictures

Are scheduled this year for March 6th. The photographer is awesome, and prices are reasonable. Please plan to have your picture taken, even if you do not wish to purchase pictures, as the school will receive a very nice plaque with everyone's picture on it.
